- Voting canisters with a name on it will be on display during the February and March Meetings.
- Place cash or change in the canister with your favorite name. You may also cast your votes (money) with Debbie (LOH Director) at anytime.
- The pig with the most cash is the winning name. Determined at the end of March meeting.
- Continue to “Feed the pig” with spare change to help it become a HOG.
- If we provide enough feed could it grow into a club mascot?
